## PROFILE

Third-year Information Science and Engineering student at Nitte Meenakshi Institute of Technology, building foundational skills in Java and web development. Interested in software engineering opportunities where I can strengthen programming, problem-solving, and practical development skills.

## EDUCATION

**B.E. / B.Tech — Information Science and Engineering (ISE)**

Nitte Meenakshi Institute of Technology | Expected graduation: 2028

## TECHNICAL SKILLS

| | |
|---|---|
| **Web** | HTML, CSS, JavaScript |
| **Programming** | Java (beginner) |

## PROJECT

**Personal Portfolio Website**

Technologies: HTML, CSS, JavaScript

- Built a personal website to present an introduction, skills, projects, and contact information.
- Added interactive features including dark mode, a live clock, and a front-end contact-form demo.
- Published the website using GitHub Pages. View live portfolio.

## CAREER OBJECTIVE

Seeking software engineering internships and fresher opportunities to apply my current skills, learn from experienced teams, and contribute to real-world projects.

*Note: This resume lists only the skills and project details provided. Add further projects, coursework, or achievements as you complete them.*
